BODYCAM® by PRO-VISION

RELIABLE · SIMPLE · AFFORDABLE™

## IP68 WATERPROOF DESIGN

With its IP68 waterproof rating, you can count on the BODYCAM® to deliver reliable performance, no matter the weather conditions.

## SELECTABLE NIGHT VISION

Record a clear view in any lighting condition with built-in, high-intensity infrared illuminators configurable to be manually or automatically activated.

## VERSATILE MOUNTING OPTIONS

From a magnetic mount to a rotating garment clip with 96 contact points, the BODYCAM® BC-300 has the versatile and rugged mounting options to securely grip your uniforms and prevent the camera from falling off and missing crucial video evidence.

# RUGGED RELIABLE DESIGN

*The BODYCAM® offers incredible durability features, meeting military specifications, to withstand any climate.*

**1.HIGH-IMPACT LENS PROTECTOR**: Lens is protected by a flush-mounted housing and an additional glass barrier, minimizing damage.

**2. IP68 ALL-CLIMATE RATING**: Built to withstand the rigors of any work environment.

**3. TRIPOINT GRIP**: Designed into the BODYCAM® housing, the TriPoint™ Camera Grip provides users with an enhanced hold on the device when handling, reducing accidental drops and potential camera downtime.

**4. POGO® PINS**: The BC-300 utilizes precision-machined, spring-loaded pogo pin contacts that produce a steadier connection and last 20 times longer than other connection types.

View videos, additional features and more at bodycameras.com

## HARDWARE PROTECTION

For ultimate peace of mind, BODYCAM® features an optional extended Hardware Protection Plan that covers loss and theft, and includes unlimited camera replacements due to accidental damage.

## SIMPLE VIDEO UPLOAD

The 10-Camera and Single-Camera Docking Stations simplify end-of-shift download and recharging. Both mount and connect to building networks, and vehicle-mountable Single-Camera Stations can upload direct to the SecuraMax™ Cloud via Mobile Data Computers.

## EQUIP DOUBLE THE OFFICERS

Stretch your precious budget dollars and equip more officers with BODYCAM®— affordably priced at over 50% less than other brands.

## HD PRE-EVENT RECORDING

Ensure crucial events are not missed with the Pre-Event Recording Buffer that captures HD video of the events occurring before recording activation.

## 12 HOUR FULL-SHIFT BATTERY

While other cameras can't last a full shift without needing to recharge, the BC-300 battery is designed to provide up to 12 hours of continuous recording on a single charge to cover entire shifts.

## EVIDENCE MANAGEMENT

Rely on SecuraMax™ by PRO-VISION®— the CJIS-compliant solution designed for BODYCAM®— as your organization's Reliable, Simple, Secure™ evidence management solution.
