

The Cadex Titanium Halligan Bars (24" or 30") are the ultimate breaching tools available in the breacher's arsenal. You can pry, twist, rip or smash doors, frames, drywall and basically any piece of wood that gets in your way. The weight saving is tremendous, as titanium is about half the weight of steel that would normally be used on similar tools, without compromising its wielding power.

HALLIGAN BARS

FEATURES:

- High strength, titanium alloy, one piece integrally cast octagonal shaft and ends.
- 56% lighter than steel.
- Rust free and corrosion resistant to many chemicals and salt water.
- Low conductivity.

BREACHING MULTI-TOOLS

The Cadex telescopic tactical breaching multi-tool is one of the most powerful breaching tools available. A combination of breaching hammer, Halligan tool, hinge breaker and expedient ram. The Cadex tactical breaching multi-tool provides superior capabilities over traditional single use tools. Recently upgraded after ten years of service, the improved TBH allows the user to adapt their equipment to the mission at hand.

FEATURES:

- Its unique design incorporates the functionality of multiple tools, in a simple package. Carry one or carry five?
- Its telescopic design makes it very compact to carry. It can be used collapsed or extended.
- Can be interchanged between the hinge breaker or the optional "break and rake tip".
- CQB tactical breaching multi-tool also available for use in restricted confines or as a secondary team tool.
- Replacement parts available on request:
- Hammer head: #580-048 - Hammer fork: #580-026
