About Us

DASCO Storage Solutions specializes in cutting-edge secure storage systems tailored for law enforcement, offering flexibility with over 100 components. Easily customize, modify, and update your system to efficiently store weapons, gear, and evidence. Collaborate with us for state-of-the-art solutions suitable for armories, training rooms, and more. Explore our innovative components at www.dascostorage.com or contact us at info@dascostorage.com

General Warranty

DASCO Storage Solutions warrants its products to be free from defects of workmanship and material for 15 years from the date of possession. Our responsibility shall be limited to repair or replace without charge. We will be responsible for transportation costs if product is deemed under warranty. It is our option, however, to void this warranty if we feel the product has been subjected to mishandling or abuse or used for a purpose other than for which it was designed.

Electronic Lockers Warranty

DASCO Storage Solutions warrants electronic lockers to be free from defects of workmanship and material for 3 years from date of purchase and a 3-year license agreement. DASCO will be responsible for reasonable transportation costs of products or part(s) to and from our designated repair facility if product or part is deemed under warranty. It is our option, however, to void this warranty if we feel the product has been subjected to mishandling or abuse or used for a purpose other than for which it was designed. Extended warranty license and service contracts available.

Weapon Storage

Bi-Fold Weapon Rack

Space-efficient, secure Bi-Fold Weapon Racks with bi-folding doors that save 35% of floor space. Flexible installation and Universal Back Panel accommodates various weapons and ammunition.

AVAILABLE SIZES

- Width of 36" (10 long guns) or 42" (12 long guns).
- Height of 48", 65½", 72", or 84".
- All Bi-Fold Weapon Racks are 15" deep.

5-Drawer Storage Cabinet

Heavy-duty steel cabinet with five spacious drawers and customizable options for sidearm and accessory storage. Offers secure organization with the capacity to accommodate up to 150 handguns and additional versatility as a cleaning or round-loading station.

AVAILABLE SIZES

- 45" Width × 41½" Depth × 25" Height.

Swing-Gate Weapon Rack & Stackable Weapon Locker

Pairable weapon racks and lockers with multi-point lock, heavy-gauge steel construction, and perforated doors. Features the Universal Back Panel for flexible storage options.

AVAILABLE SIZES

- Weapon racks are 42" wide and come in heights of 48" or 64½".
- Lockers are 14" wide and 48" tall.
- All weapon racks and lockers are 15" deep.

Weapon Storage

Compact Sidearm Locker

Compact and secure gear locker for pistols, TASER devices, and small equipment. Flexible installation, tamper-resistant doors, and options for individual compartment keying.

AVAILABLE SIZES

4×1 Configuration

Each compartment is 5" Height × 10½" Width × 8" Depth and the overall locker is 23" Height × 12" Width × 8" Depth.

2×2 Configuration

Each compartment is 5" Height × 6" Width × 14" Depth and the overall locker is 12½" Height × 14" Width × 15" Depth.

TASER Storage Cabinet

Securely store and charge up to 20 CEWs with individual drawer keying and flexible stacking options. Compact and customizable solution for teams.

AVAILABLE SIZES

- 26" Height × 25" Width × 22" Depth.

Weapon Storage Cabinet

Weapon Storage Cabinets are crafted from heavy-gauge steel with a bi-parting tambour door and multi-point lock for secure storage in security stations and police outposts.

AVAILABLE SIZES

All cabinets are 22" deep and 36" wide (10 long guns). Available in heights of 60", 66", 72", and 83".

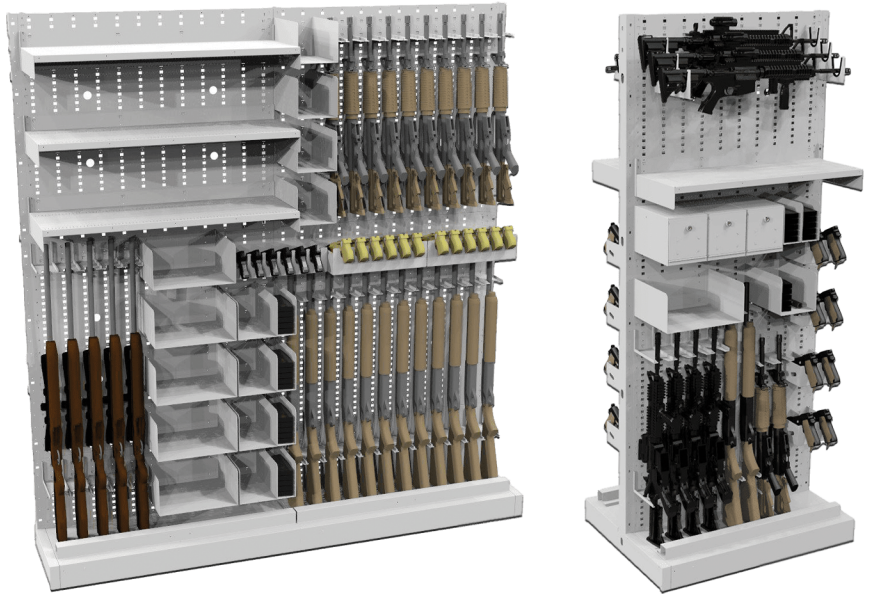

Expandable Weapon Rack

DASCO's Expandable Weapon Rack (EWR) offers unparalleled versatility. Perfect for maximizing storage space in single or double-sided configurations and can be wall-mounted or installed with mobile carriages.

AVAILABLE SIZES

- EWRs are available in 50" & 84" heights, and 34" & 40" widths.
- Wall Mounted EWRs are 24" tall and are available in 34" & 40" widths.
- All models can be expanded vertically in 12" or 34" increments, and horizontally in 34" and 40" increments.

Weapon Multi-Locker

Keep weapons individually secured without sacrificing rapid deployment when necessary with the Weapon Multi-Locker. This storage system is configured with individually locked compartments sized for sidearms or long guns. The mailbox style gate can be opened with the master key to open every compartment at once.

AVAILABLE CONFIGURATIONS

- 8-Compartment Long Gun Locker
- 4-Compartment Long Gun Locker
- 4-Compartment Extra Tall Long Gun Locker
- 20-Compartment Sidearm Locker
- 13-Compartment Locker—
8 Sidearm, 5 Long Gun
- 10-Compartment Sidearm Locker
- 5-Compartment Long Gun Locker
- 10-Compartment Long Gun Locker

Weapon Storage

Vaultrack E-Locker

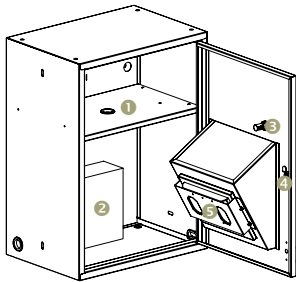

Vaultrack is an electronic locker system designed to securely store weapons and kits with full traceability. Configure in-depth software settings to control access, manage inventory, and view audit logs of system usage.

AVAILABLE SIZES

Every complete system is 72" tall, assembled from the following module options:

- Kiosk module (32" tall).
- 8-door sidearm module (32" tall).
- 2-door long gun module (40" tall).
- 6-door sidearm & long gun module (72" tall).

Every module is 22" wide and 15" deep.

- 1 Kiosk inner shelf. 19½" from the base. Shelf space dimensions of 9" height, 20" width, and 13" depth.
- 2 Uninterruptible Power Supply
- 3 SAC/DC12V Buzzer
- 4 Abloy Lock
- 5 Touchscreen Display

Weapon Storage Cart

Designed for police applications, the mobile Weapon Storage Cart effortlessly transports up to 20 long guns at a time. Crafted from heavy-gauge steel and featuring DASCO's Universal Back Panel, the cart offers reliable and secure transportation with versatile storage options.

AVAILABLE SIZES

- 49½" Height × 34" Width × 27" Depth.

Radio Charging Shelves

Organize and charge radios and other devices using these purpose-built shelves. A mounted underside basket is included for cable management and parts storage.

Body Camera Charging Shelves

Sloped shelves with mounting holes designed to hold docking stations for body cameras and other devices. Easily store, charge, organize, and retrieve equipment for efficient dispatching.

Tactical Locker

Store kits and personal items in one secure locker. Main compartment features a heavy-duty shelf, hanger bar, hooks, and the Universal Back Panel. The bottom roll-out drawer can be outfitted with a bench seat, making it perfect for locker rooms.

AVAILABLE SIZES

- 72" Height × 18" Width × 24" Depth.
- 72" Height × 24" Width × 24" Depth.
- Optional bench is 32" depth at bottom.
- Custom sizing is available.

Duty Bag Locker

Duty Bag Lockers offer a robust, secure solution with four compartments, including a rollout drawer for easy access. Seamlessly integrates with other DASCO products for a comprehensive storage system, delivered fully assembled for easy installation.

AVAILABLE SIZES

- 72" Height × 18" Width × 24" Depth.

Vented Gear Cage

A heavy-duty locker ideal for equipment storage with maximized airflow. Vented Gear Cages feature adjustable shelves and optional hanger bar and coat hooks.

AVAILABLE SIZES

- 78" Height × 36" Width × 24" Depth.
- 78" Height × 42" Width × 24" Depth.

Evidence Storage

Electronic Evidence Storage Locker

These electronic lockers provide secure storage with high traceability. Officers deposit evidence which then remains locked until access is authorized by an administrator. The kiosk saves an audit of all actions for complete usage history of the system.

AVAILABLE SIZES

E-Locker Configuration	Configuration Depth	No. of Tiers
E-Locker 2 Door	18" or 24"	1 Tier x2
E-Locker 4 Door	18" or 24"	2 Tier x2
E-Locker 4 Door X-Wide	24"	2 Tier x2
E-Locker 8 Door	18" or 24"	4 Tier x2
E-Locker 12 Door	18" or 24"	6 Tier x2
E-Locker 24 Door	18" or 24"	12 Tier x2

Evidence Storage Locker

DASCO's Evidence Storage Lockers offer reliable security and adaptability for various environments. Choose from closed-back or pass-through storage systems.

AVAILABLE SIZES

- Closed-back evidence lockers are 72" high and are available in 12", 15", and 18" depths. Each compartment column is 12" wide.
- Pass-through evidence lockers are 72" high, 36" wide, and come in 12", 15", and 18" depths.
- Full unit footprint varies on number of units in each configuration.
